

Earlestown 150 Yrs

Contributed by Steven Dowd

Sat 1st march 2003 was the 150th Aniversary for the signing of the lease for the land on which Earlestown is built upon, I managed to take a few photos of the celebration of this event, which I will add later into the new photo gallery, I shall try to get the new gallery added to the website over the next few days, just need to clean and edit a few of the images first, If you click the Read More link below you can see a panoramic that I made showing the march stopping for a small service at the War Memorial outside Earlestown Town Hall ..

Once the Photo has downloaded, you can use your mouse to pan / pull the image around, or to zoom in for a closer look by clicking the small + / - in the image bottom left corner.

This is the image thats going to download into the panoramic browser
